Dear Sir:

Referring to your letter of March 16th. in which you say the personal property in my buildings insured in your policy No. 38910 can be added to that policy as an increase, I beg to state that I have recently made a schedule of the property and noted low, present, cash values as follows:

Surrey, buggy and harnesses,	\$105.
Farming implements, tools, etc,	\$140.
Household furniture and supplies, bedding, kitchen utensils, books,	<u>\$285.</u>
	\$520.

I shall be glad to have the addition made and will be much obliged if you will attend to the matter.

Very truly yours.

Geo. C. Maynard
