3<sup>rd</sup> policy no 28307

I think I have made rate of dwellings  
rather higher than by our rules but with  
int. at 3 $\frac{1}{2}$  don't think they have any thing  
to complain about as the Bellinore County  
in which the other buildings are insured  
for \$7000 make a loss of 7\$ on them this year
