TERMS AND CONDITIONS of the Mutual Fire Insurance Company in Montgomery County for making Insurances against Fire.

I. Every person making an Insurance shall pay, for each policy issued to him or her, the sum of two dollars, (so long as the State tax of one dollar exists) and a certain per centage on the amount insured (according to the greater or less hazard of the risk) will be charged by way of premium, for which he, she, or they shall give his, her, or their promissory note, payable on demand, and bearing interest at the rate of six per centum per annum; and shall pay, as a prerequisite to the Surveyor making the survey, the sum of one dollar.

II. Payment of the promissory notes given for premiums shall be liable to be demanded, either wholly or in part, whenever and as often as the President and Directors may determine, for the purpose of paying losses by fire, or defraying the current expenses of the Company; not exceeding, for any one fire, or for one assessment, the amount of said notes.

III. In case of cancelling an Insurance, or of the termination of a risk, the premium note or notes for such Insurance as may be cancelled, or shall have terminated, shall be returned, when demanded, to the party whose Insurance shall be so cancelled or terminated.

IV. Any Policy of Insurance may be transferred or assigned by obtaining the consent of the Secretary; and any transfer or assignment made without such consent, expressed in writing, shall cause a forfeiture of all benefit that might otherwise be derived from the Policy.

V. If any property insured by this Company shall be already insured, or shall be hereafter insured by any other company or companies, or individual, or otherwise, such Insurance or Insurances must be made known to this Company, and endorsed on the Policy, or otherwise acknowledged in writing; or otherwise the Policy of this Company shall be void. And in case of any other Insurance or Insurances on the property insured by this Policy, it is expressly declared, that in case of loss or damage by fire, that the insured shall not be entitled to recover from or claim of this Company any greater portion of the loss sustained than the amount insured by this Company shall bear to the whole amount of the Insurances on the property so damaged or destroyed. When store goods insured by this Company are damaged by removal from a building in which it is exposed to loss by fire, or when a partial loss by fire occurs, said damage or loss shall be borne by the insurers and insured, *pro rata*, in proportion that the sum insured bears to the whole value of the property at the time of said loss or damage.

VI. The company shall not be liable to pay for any loss or damage by fire happening in consequence of any invasion, civil commotion, riot, or any military or usurped power whatsoever, or from any locomotive engine or engines.

VII. In case of any loss or damage by fire on any property insured by this Company, it shall be the duty of the insured, or his or her representative, to give notice thereof to the Secretary of the Company, and at the meeting of the Board that may be called in relation to the matter, to submit a written statement of his, her, or their loss, attested by sufficient proofs; and when the claim shall be adjusted, either by mutual agreement or by arbitration, the Board of Directors shall proceed to take the necessary steps to pay the same within ninety days after such adjustment, (or sooner, if practicable), or to reimburse the party insured, at their discretion.

VIII. In case of any material increase of risk to the property insured by this Company, such increase of risk must be notified to the Company, and written permission therefor be obtained from the Secretary, for which such charge as may be proper must be paid. All material alterations and additions to buildings, or change of occupations, shall vitiate any policy issued on the same, unless such alteration or change shall be first notified to the Board of Directors in writing. *Coals* shall not be kept nearer than 25 yards to insured buildings, unless in brick or stone ash-houses.

IX.
