If this application is accepted and the property herein described is insured by the Mutual Fire Insurance Company of Montgomery County, Maryland, the applicant warrants that:
 No unleached ashes shall be kept nearer than 30 feet to any building, unless in brick or stone ash house; that all fire or chimney boards used in the insured house or houses are and shall continue to be of tin or other metal; that if a stove or stoves be used, pipes passing through floor or partition are and shall continue to be secured with an earthen collar or a metallic cylinder; and if stove-pipe or pipes pass into flue on upper story, they are and shall continue to be with an elbow, and all flues are and shall continue to be built with the bricks laid flat; that no stovepipe does or shall pass through the side wall or roof or enter a flue from the bottom; that the buildings insured do not contain a fire-clay flue, whether glazed or unglazed, not surrounded with bricks laid flat, and that a fire-clay flue, unless surrounded with bricks laid flat, will not be erected during the continuance of this insurance.*
 It is expressly stipulated that this Company shall not be bound by any act or statement made to or by the agent restricting its right or varying its written or printed contract, unless inserted in this application in writing; nor has the applicant entered into any agreement or understanding with the agent varying the terms of the Company's written or printed contract; nor does the applicant rely on the agent's personal knowledge of conditions relating to property upon which insurance is sought, to vary or restrict the terms of such contract.
 The applicant will be bound by the application, and if the risk be more hazardous than appears from his statement the Company will not be liable in case of loss.
 The undersigned hereby affixes his, her, or their name to the Charter, Constitution, By-Laws, and Rules and Regulations of the Company, as a member thereof.
