Respected Friend

Robert R Moore Secy & Genl  
John A Bennett has con-  
templated reducing his stock,  
and consequently his Insurance  
for some time, and the increa-  
sed rate settles the matter with  
him. He wishes to have seven  
hundred dollars Insurance on  
Stonegoods canceled at once,  
that will leave six hundred on  
Stone house, and five hundred  
on stock of goods

His Policy is assigned Very Truly  
to Julius Marlton, and  
will be sent to office Asa M. Stabler  
as soon as he can get it
