Dear Sir

Yours of the 12<sup>th</sup>  
rec<sup>d</sup>. I note what you say about \$150, being a  
very high rate to insure horses at. I agree  
with you in reference to this, & but for the  
fact that these are an exceptionable valuable  
lot, I would not thought of having valued  
them so high, they are all "Thorough bred  
Purcherons, and most of them young, some  
of these ~~mares~~ cost Mr. Diamond \$350, & \$500,  
each a few years ago. I don't suppose any of  
them could be had today for \$200.

Very truly yours

E. L. Tschiffely agt.
