Dear Sir

Your agent has  
looked over the property and  
certificate - I want to  
increase my insurance risk  
five thousand dollars more,  
also to have the rate of premium  
reduced, my house is nearly five  
years old, I think, obliged you  
to inform me in this business

Respectfully

Thos. S. Lee

I added a storm upon  
my house 48x48 - and  
covered the same with slate  
thereby making my back building  
& house proper under state  
roof. This last improvement  
cost me \$3000. which will  
be six thousand dollars  
in additional building over  
and above the property  
insured on first application
