Mr Allan Farquhar)
Secty 1)

Dear Sir:

Search-
ing over my papers I found Policy
34366 - How it got where
I found it I know not & I
had forgotten completely that
it ever had been given to me
I have always kept my Insu-
rance papers & receipts in
a package to themselves & by
amining them I found the
Policy which I have sent
you.

I send The Policy # 34366
& will be glad if you will

Endorse it & return to me
The Policies you have
are of no further use
& I guess had just as
well be destroyed. This
however I leave to you.
I regret the trouble I have
given you & hope all
will end well

Very truly yrs
E. R. Bird
