W^r Sir

You will
notify the Company that I
have moved my stock of
goods in the new store re-
cently built on the site of the
old one. My family are
now living over the store, hav-
ing moved from across the street.

I notified ~~them~~ Co. when I
moved out of the old store, and
also told them that I would move
back when the store was completed
also that I would move my family
over the store
