Mr Allan Partridge Seely

Dear Sir:

I enclose policy 25079
in the name of Nannie O Bird, for the cancellation
of the endorsement. Mr Bird brought the policy
in this today and said he wished that you
would write a new policy now with that omitted.

That Jacob W Bird was dead and that the matter
was settled so far as that obligation was concerned, that
the only one that they owed now that might require an
assignment was a Mrs Budelee but that she
had ~~not~~ or did not require it.

Can you oblige Mrs Bird and write her a new policy
with that endorsement life off.

Respectfully

L S Emery
agent

They wanted him in on the
house but I told him I could not give it
that was well up to 3/4 bal. He readily acceded to that,
