Dear Sir,

I have not yet received any
memorandum of the amount to be
paid for Insurance on Mrs Mary
Augusta Hutton's property near Clopper
Station. — 28501 — 56.80 Gaiter

There was much dissatisfaction with
the methods of your Company - a year
or more ago - since which time one
interested in it told Mrs Hutton
that the causes of the trouble would be
removed - & would not recur.

Kindly let me know if any change
has been made - or if matters are the
same as in the latter part of 1895

Oblige Your very truly

W R Hutton
