No unbleached ashes shall be kept nearer than 30 feet to any building unless in brick or stone ash house. All fire or chimney boards shall be made of iron or other metal.

If a stove or stoves be used, pipes passing through floor or partition shall be secured with an earthen collar or metallic cylinder; and if pipes pass into flue on upper story it shall be with an elbow, and the flue shall be built with brick laid flat. No stovepipe shall pass through the side wall or roof, or enter a flue from the bottom. No risk will be taken on a building containing a fire clay flue, whether glazed or unglazed, unless surrounded with brick laid flat.

The applicant will be bound by the application, and if the risk be more hazardous than appears from his statement, the Company will not be liable in case of loss.

The undersigned hereby affixes his, her, or their name to the Charter, Constitution, and By-Laws of the Company, as a member thereof.
