Attorneys at Law,

Mr Robt R. Murro

Dear Sir

Mr Lemel Clements has lately died and by deed previous to his death he conveyed his home place to his wife Mrs Jane A. Clements & daughter Mary E. Clements as joint tenants,

The improvements on this property are insured in Policy No 221 - for \$3000 ^{on house & 500- on contents} and \$500- on furniture, I would be pleased if you could direct me how, if it can be done, for Mrs Clements & her daughter to hold this without a new policy - It looks to me as if a new policy was the only safe mode for them to adopt - Yours Truly
Geo Peter
