Sec. Mutual Fire Ins. Co.

Dear Sir:-

On returning from a trip to the Northwest I find your esteemed favor of June 6. awaiting me.

A year ago I sold the house covered by Policy No. 18142 in your Company, and moved to this city. I have searched thoroughly for the policy in order to return it to you as requested, but it is not to be found, and I suppose has been lost in the hurly-burly of very very hurried moving. I regret my inability to return it to you for cancellation, and hope its loss will not entail any serious consequences.

Yours very truly,

W.T. Hornaday.
